Praise For Sex, Wigs & Whispers

"I had no idea how alopecia could totally change a woman's perception of life, the effect it could have on her self-esteem and how the intricacies of alopecia can overshadow the delicate balance in the dance of a developing intimacy. From her years of experiencing alopecia, through the practical advice Amy offers in **Sex, Wigs & Whispers**, she has once again broken new ground proving that with correct guidance and courage, real freedom can be achieved. Amy is a dynamo driven to find solutions. Not only does she think the glass is half full, she'll find a way to fill it to the top! I'm blessed to know this lovely woman."
